11 The inclusion of this explanation does not constitute agreement with
12 the explanation's substance by the members of the general assembly.

13 Current Code section 282.18(7) provides that a pupil
14 participating in open enrollment shall be counted, for state
15 school foundation aid purposes, in the pupil's district of
16 residence. The school district of residence then is required
17 to pay to the receiving district the sum of the state cost per
18 pupil for the previous school year plus either the teacher
19 leadership supplement state cost per pupil for the previous
20 fiscal year or the teacher leadership supplement foundation aid
21 for the previous fiscal year if both the district of residence
22 and the receiving district are receiving such supplements,
23 plus any moneys received for the pupil as a result of the
24 non-English speaking weighting and any eligible postsecondary
25 tuition reimbursement amounts under Code section 261E.7, if
26 applicable.

27 This bill adds the following amounts from the previous
28 fiscal year to the total sum required to be paid by the
29 school district of residence to the receiving district: (1)
30 the teacher salary supplement state cost per pupil; (2) the
31 professional development supplement state cost per pupil; (3)
32 the early intervention supplement state cost per pupil; (4) the
33 area education agency teacher salary supplement state cost per
34 pupil; (5) the area education agency professional development
35 supplement state cost per pupil; (6) the state media services

1 cost per pupil; (7) the special education support services
2 state cost per pupil; and (8) the state educational services
3 cost per pupil.

4 By operation of law, the changes in the bill also apply
5 to the amount required to be paid by a resident district to
6 a charter school or innovation zone consortium under Code
7 chapter 256F when the pupil enrolls in such a school outside
8 the pupil's district of residence.

9 The bill applies to school budget years beginning on or after
10 July 1, 2019.
